ABOUT THE COVER

The old Pound School was built in the early part of the nineteenth century and located in the same area as the Public Library. The school house was replaced in accordance with the decision recorded in the School District Report:

SPECIAL SCHOOL DISTRICT MEETING
October 18, 1894

> Voted to locate and build a school house on the old lot, at or near the old school house in the Pound district so called. Voted.
> The committee being instructed to build immediately. Voted that it be left discretionary with the building committee to dispose of the old school house as they think best.

The old school house and furniture was sold to Frank D. Lawrence for $36.65 and moved to his farm in Powwow at a cost of $22.11.The Lawrence farm is now the property of Marshall Bean.

(VOTED - YES)

Original motion (VOTED - YES)

10. Motion by George Stanhope and seconded by Frederick Montrose on petition of George W. Stanhope and twenty seven others, to ask the Town of East Kingston to send a letter to the General Court urging the Court to pass legislation that would oppose the practice of Construction Work in Progress (CWIP) as a device by Public Service Com-

pany of New Hampshire to pass on construction costs to the Consumer in the form of higher electric rates before facilities are providing service. After discussion, a motion was made by Frank King to move the question and seconded by Robert Fairbanks.

(VOTED - YES)

Original motion. (VOTED - NO)

11. Motion by Daniel Bodwell and seconded by Martha Moses to see if the Town will vote to raise and appropriate the sum of $312.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to ten residents of the Town of East Kingston during the period October 1, 1976 through June 30, 1977, inclusive. These residents used $750.00 worth of service, however, only $438.00 could be billed according to their ability to pay, resulting in a deficit of $312.00. We therefore request either a match of what the Town residents were billed or the deficit in total, whichever is the lesser amount, in this instance being $312.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay.

(VOTED - YES)

12. Motion by David Andrzejewski and seconded by Wilma Young to see if the Town will vote to raise and appropriate the sum of $2,500.00 to purchase and install oil tanks at the library and town hall.

and the community at large. After discussion motion by Marlene Stone to move the question and seconded by Kenneth Robie.

Original Motion. (VOTED - YES)

14. Motion by Daniel Bodwell and seconded by Richard Smith, Sr., to see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies that would be of benefit to the Town. After discussion, motion by William Osgood to move question and seconded by Kenneth Robie.

SELECTMENS' REPORT
TOWN OF EAST KINGSTON, N.H.

In the ever continuing effort to improve administration of the town affairs the Selectmen made the decision to hire an Administrative Assistant, Richard G. Kelley. The net result of this has been increased revenue to the town, up-to-date record keeping and the completion of several uncompleted projects the larger of which being the Tax Map. Mr. Kelley has looked into some of the federal programs but due to the elimination of programs we have been to date unsuccessful in securing funds.

The Town early in the year found it necessary to purchase two vehicles. A cruiser was purchased on a 50-50 basis with the Police Association. At about the same time, the Fire Department had problems with the Tank Truck. Through a member of the Fire Department, a Mr. Busfield was contacted who offered to the town at a token price of $750. - (a 68 Chevey C80 - 3100 gal. Tank Truck). A decision was made by the Selectmen and Fire Engineers to purchase the truck.

This year for the first time two alternates were appointed to the Planning Board.

The year also saw the Firemens' Association celebrate their 30th Anniversary. The Selectmen attended the annual meeting and presented the Association with a placque of appreciation on behalf of the town for the 30 years of dedicated service.

Some projects started and completed this year were as follows:

- Survey of town land with the exception of some boundry markers at the library.
- Installation of oil tanks at the library and town hall.
- The construction of new stairs on the left side of the stage.

The Town again participated in the federally funded CETA program which was used to implement a playground program during the summer. The grant provided salary and fringe benefits for the employment of four young people

from town. A second grant of $500. was also received to be used in the purchase of equipment and supplies for the Recreation program. In connection with this program the Selectmen would like to express their appreciation and that of the town to the Recreation Committee and Mrs. Molly Allen for their help and hard work.

It was the good fortune of the town to have Master Joseph Bowley offer his services to paint the library as part of a public service project for Eagle Scout. We would like to thank Master Bowley again for a job well done and one he may look back on with pride. It is hoped that this young man's service and achievement may serve as an example to others.

The year also saw a change in the Board of Selectmen with the resignation of Bill Chouinard and the appointment of Dan Bodwell to the Board to fill in until the 1979 Town Meeting. We would like to take this time to thank Bill and wish him the best in his new position.

Office Equipment purchased during the year was as follows:

3M Copier - Typewriter - Office Chairs

Ten voting booths were acquired by Mr. Wayne Day from the City of Nashua as a gift. We would like to thank Mr. Day again for his efforts and services on behalf of the town.

The town has received a gift of, a ten foot strip of land along Joslin Road by Edward and Nancy Smith of Joslin Road. With the donation, of this strip of land, the town plans to widen and correct the drainage problems that now exist. We wish to express our appreciation again for the generosity of the Smith's.

We would like to take this opportunity to express our appreciation to the various Town Officers and Board Members for their dedicated service during the past year. It has indeed been this Boards pleasure in associating with such a devoted and hard working group.

In closing this years' report, we ask that anyone interested in participating in any existing Board or Committee, or wishing to pursue some new area of endeavor

which would satisfy the needs of the Town, to contact the Board. Any suggestions you have as to what should be done to improve the Town, its' services, and prepare for its future needs would be greatly appreciated. Your input is important, so speak up.

Respectfully submitted,
David C. Andrzejewski, Chairman
Daniel T. Bodwell
Richard A. Smith, Jr.

TOWN WARRANT

STATE OF NEW HAMPSHIRE

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at East Kingston Town Hall in said East Kingston on Tuesday, the thirteenth (13th) day of March, next at 10:00 AM of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To choose by ballot an appropriate design to be adopted as the Towns official seal and standard.
3. To see if the Town will vote to adopt the changes and and/or amendments to the Zoning Ordinance as proposed by the Planning Board.

The changes and/or amendments proposed by the Planning Board are as follows:

1. Amend Article IV, Section D to add a new paragraph 6. Septic System Leach field boundaries shall be located more than 20 feet from any property boundary and 100 feet from any well.
2. Amend Article IV, Section F to add a new paragraph 7. "See Article VII c.2.e. Sign in the Commercial District shall be no larger than 32 sq. feet and there shall be no more than two (2) signs per business."
3. Amend Article IV, Section F, paragraph 2. to add the word "non-rotating" after the word "non-colored".
4. Amend Article IV to add a new Section G, "The members of the Board of Selectmen, Planning Board, Board of Adjustment and Building Inspector shall have the express authority for the applicable Board to review on site the property upon which an owner has requested for a building permit, subdivision, or variance prior to, during and until completion of the change allowed by the building permit, subdivision or variance."

5. Amend Article VI, Section F to add the words, "or more nearly create" after the word "create".

6. Rewrite Article XI: to conform to the latest enabling legislation as follows: "Every person, persons, firm or corporation violating any of the provisions of this ordinance upon conviction shall be fined not more than Ten Dollars ($10.00) for each day such violation exists following conviction. The Board of Selectmen may institute in the name of the Town any appropriate action or proceeding to prevent, restrain, correct or abate violations of the ordinance."

4. To see if the Town will vote to raise and appropriate the sum of $108,025.00 less estimated revenues to defray Town charges for the ensuing year.

5. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

6. To see if the Town will vote to raise and appropriate the sum of $50,000. by the issue of bonds or notes for the purpose of renovating the Town Hall to provide additional office space for Town officers. And authorize the Selectmen to determine interest rates, Maturity Dates, and related details with said Bonds and Notes.

7. To see if the Town will vote to raise and appropriate the sum of $18,000. for the purpose of constructing a two room addition to the Town Hall to provide additional office space for Town officers.

8. To see if the Town will vote to authorize the Selectmen to receive and expend additional Highway Subsidy Funds, estimated to be $3,042.07 for the construction or reconstruction of Class IV and Class V Highways.

9. To see if the Town will vote to raise and appropriate the sum of $1,150.00 for the Exeter Visiting Nurse Association.

10. To see if the Town will vote to raise and appropriate the sum of $229.12 against the State appropriation of $1,-527.47 for Class V Road Assistance.

11. On Petition of Richard A. Smith, Sr. and 13 others to see if the Town will vote to join the Southeastern New Hampshire Regional Planning Commission, and raise and appropriate the sum of $627.60 as its contribution to its support.

12. On Petition of Wilma A. Young and 77 others to see if the Town will vote to raise and appropriate the sum of $1175.00 to assist in the formation of a Emergency First Aid Squad, which will be a seperate Town department, run by a Director who is chosen by the members of the squad, and to be used to acquire the necessary items and pay the following expenses. Appropriate Insurances - $435.00, Three Jump-kits $400.00, Communication Equipment $300.00, and operating money $40.00.

13. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to $5,500.00 of funds that may become available to the Town under, "The Comprehensive Employment and Training Act of 1973" as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community-at-large.

14. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forth coming from Federal, State, local or private agencies that would be of benefit to the Town.

15. To see if the Town will vote to accept the provisions RSA 80:52-A authorizing the Tax Collector to accept payments in advance of assessment and prior to notification, such payments to be credited against eventual assessment.

16. On petition of Robert M. Belcher and 9 others to see if the Town will vote to raise and appropriate the sum of $369.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 33 residents of the Town of East Kingston during the period July 1, 1977 through June 30, 1978, inclusive. These residents used $765.00 worth of service, however, only $396.00 could be billed according to their ability to pay. We therefore request the minimum amount needed from the Town, in this

instance being $369.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay.

17. To see if the Town will vote to transfer and allocate from the Fire Truck Capital Reserve Fund the sum of $3,-639.74 to defray the charges incurred in purchasing, equipping, and making necessary repairs to the Tank Truck.

18. To see if the Town will vote to allocate Revenue Sharing Funds of $7,490.08, including interest of $507.08 unexpended Funds of $75.00 and unappropriated Funds of $6,908.00; to be allocated for the following projects.

Fire Department Radios	$1,500.00
Library	3,000.00
Office Equipment-Town Clerk	300.00
Emergency Radios C.B.	575.00
Roads	2,115.08

19. To see if the Town will vote to raise and appropriate the sum of $4,500.00 to pay Firemen for Fire Calls and training, and the unused portion to be put in the Capital Reserve Fund.

20. To see if the Town will accept the Reports of the Town Officers and auditors as printed in the Town Report.

21. To transact any business that may legally come before this meeting.

Given under our hands and seal, this twenty-third (23) day of February, in the year of our Lord ninetten hundred and seventy-nine (79).

REPORT OF THE TRUSTEES OF THE EAST KINGSTON PUBLIC LIBRARY

The East Kingston Public Library has concluded another successful year under the able work of its librarian, Mrs. Jane Bowley.

Circulation of books has increased by about 1,000. The Trustees feel that the library is a most important service of our town.

We are sorry to lose our treasurer, Mrs. Janet Stanhope, who moved away in December. She has been replaced by Mrs. Rita Fairbanks.

We had a very happy experience this last summer. Joseph Bowley, 14 years old, did an expert job of painting the exterior of the library. The town supplied the paint.

With some of the money the "Friends" had left, we planted some new shrubs at the entrance. Our outside looks excellent. With the remainder of the Friends money, we are buying books.

Mrs. Molly Allen has had a story telling program for pre-schoolers on Wednesday mornings accompanied by movies. Thanks go to Mrs. Allen. The usual pictures are shown frequently.

Some books and magazines have been contributed. Thanks goes to those people.

Come and visit us! I am sure you will find something of interest.

POLICE DEPARTMENT REPORT

To the Citizens of East Kingston:

Due to the lack of money from the Crime Commission this year, the crime rate in our town has gone up. This is all due to less patroling of our streets. All of these crimes of breaking and entering are done in the daytime. We have no police protection in the daytime. It's about time that we do something about it. By patroling at least four hours a day we can keep these cockroaches from stealing us blind. It's a shame one of our citizens home was broken into. They stole a number of items in the house; even the Christmas presents under the tree. The department has the equipment to do this work, but we are lacking patroling hours in the daytime.

I am writing this in the town report to let you know what is going on. Many citizens do not attend town meetings but they do read the town report.

I would like to thank my men for the number of hours that they have donated to the town.

I have applied for another grant for the year 1979 from the Crime Commission. If we receive this grant, I know that the breaking and entering and the vandalism will be under control. The more patroling we do, the less crime we will have.

Sincerely,

Edward J. Morrill
Police Chief

REPORT OF THE EAST KINGSTON POLICE ASSOCIATION

To the Citizens of East Kingston:

The East Kingston Police Assiciation would like to express thanks to all who have helped make our monthly raffle a success. The funds from this are used for uniforms and equipment. We would also like to thank the East Kingston Volunteer Firemen's Association and all who helped make the Fishing Derby a success.

Respectfully submitted,
Ernest A Goudreau
Secretary-Treasurer
East Kingston Police Association

ANNUAL REPORT OF THE TOWN ROAD AGENT

After March elections 1978, there was very minor snow removal; and plowing, salting and sanding was at a minimum. Dead trees and culverts were cleaned out on Willow Road.

During the spring, roads had to be patched due to the heavy snows in February, and Sanborn Road was graded by a grader. Gravel was hauled in on Mrs. Eastman's Road (just off of 108.)

Tarring was done in the summer on Rowell Road, Sanborn Road, George Street, Andrews Lane and Clements Lane. Do to the major increase in the price of oil, tarring was at a minimum. Fish Road, Stumpfield Road and Andrews Lane are in need of major construction. We hope that we will be able to repair these roads.

Selectmen authorize work done on Joslin Road, due to land owner given town 10 feet of land. Work is to be completed in June of 1979 for a set figure of in-town contractors. Signs and poles have been ordered, and should be in by the end of this year; and they will be installed on arrival.

We hope that major tarring will be done in the new coming year, to keep patching at a minimum.

Due to the rain and snow storms of 1978, plowing was normal. But a great amount of salt and sand was used on the icy roads in town.

Respectfully yours,
Adam J. Mazur, Jr.

ANIMAL CONTROL OFFICER'S REPORT

Complaints Answered	32
Dogs Hit by Vehicles	5
Stray Dogs Picked Up	11
Dog Bites	3
Disposals	7

There has been an increase throughout Rockingham County of house cats being abandoned by their owners. Many of these cats die of starvation while the rest survive by eating whatever they can find. Their diet often consists of songbirds, baby rabbits and young pheasants. A great many of these cats are killed by vehicles and left in the road where they are struck repeatedly until there is nothing left to them. If you have a cat or kittens that you do not want don't turn them loose to face this fate, call your animal control officer or the N.H.S.P.C.A.

Dog owners are reminded that licenses are due April 1st and may be obtained from the town clerk. Proof of rabies shot must be shown at this time. Also if your dog is neutered or spayed, proof of this alteration must be shown.

A rabies clinic will be held during the month of April and any dog may be licensed at this time.

I would like to thank all the residents that have cooperated during the past year. We have been able to keep the animal complaints to a minimum in a town that is expanding in every other way.

THE ANNUAL REPORT OF THE EAST KINGSTON VOLUNTEER FIREMAN'S ASSOCIATION

As president of the East Kingston Volunteer Firemen's Association, I give my report. We held our annual Association meeting in April, and we had our annual supper. Town Fathers presented the Firemen's Association with a plaque for 30 years of good services. Town Fathers gave their thanks to Frances Smith for his dedicated long services to the Fire Department. And also at the annual meeting, new members were elected for the Association. The members were as follows:

President - Adam J. Mazur, Jr.
Vice-President - Phillip Poole
Secretary - Robert Reagan
Treasurer - Harvey Purington

The Women's Auxilary donated $580.00 to the Firemen's Association for pumping a cellar in April.

In April, 5 Pocket Sony Scanners were purchased with the Town Appropriated Money. We now have 15 pocket Scanners. In June the Fire Department purchased 1 Regency Scanner for the Dispatchers Room at the Fire House.

In June, money was given for a well at the Foss Wasson Field, which was to be used for Recreation and Fire Department purposes. The Fire Department and Recreation each contributed $300.00 for the well; which was 14 ft. deep. The well was finished in August 1978.

In June, the East Kingston Firemen's Association sponsored " 10 steps to remember course on First Aid." This took place at the Fire Department and was given by E.M.T. Ambulance Services of Exeter.

In May, the weekly Beano sponsored by the Fire Department, came to an end, because of lack of personnel.

Many hours were spent welding on the Old Tanker which was split on the sides, to try to keep it in service until it could be replaced. A new 1968 Chevy, 3100 gallon tanker was purchased in June for $750.00, which was paid for by town funds. Association members put in many long hours rebuilding the tanker.

In September, a Tone Alert Paging board was set up in Exeter, and we are now being dispatched out of Exeter.

Muster Practice was started in May. Musters attended this year were in Epping, Milford Mass., Hamilton, Candia, Deerfield, Merrimack, Mass., Amesbury, Mass., and Wenham. We earned 64 trophies between the 8 musters. This included an overall for the men in Deerfield, two truck trophies, an overall for the women in Milford, Mass., and a best sportsmanship trophy for the women in Amesbury, Mass. We hope to have a good year next year. All trophies are on display at the Fire House.

Saturday, August 14, our Annual Lobster Festival was held. Despite Mother Nature, we had a pretty good turn out.

Sunday, August 15, we hald our 6th Annual Firemen's Parade and Field Day. We had a large turnout: 14 mens teams and 8 womens teams, including Milford, Mass. for their 2nd year. The day turned out real nice and I hope that everybody had a nice time.

The Association finished the fire Hydrant on Willow Road.

They also rebuilt the roof on the Fire Station, and they donated money for Telephone Emergency Stickers.

Santa Claus made his last rounds on Christmas Eve, through the streets of East Kingston. Sponsored by the East Kingston Firemen's Association, which will be an annual ride each year.

"We can't do it without you." "We need your support!"

Respectfully yours,
Adam J. Mazur, Jr.
President

A Brief Story of Tank Truck

We got a different Tank Truck for the town. The truck it replaced carried 1200 gallons. The one now in the Fire House carries 3100 gallons of water, which I think is a great piece of equipment, it has two power take-off pumps, and a four inch dump valve, which is for drafting water from that tank. Right now we are rolling up to a fire scene with about 5000 gallons of water.

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to $1,000 or a jail term of up to one year or both.

REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!

EAST KINGSTON HISTORICAL COMMITTEE
December 31, 1978

The Historical Committee meets the last Monday of each month at member's homes.

During the past year we have made these additions to our records:
1. Many copies of old property deeds; particularly those concerning mill grants at Trickling Falls. 2. Civil War records, copied from those at the N.H. Historical Library at Concord, and from town books and records of A.R. Brown. 3. Photo-copies of vital statistics from Town Clerk's records 1827-1888. 4. And with many, many thanks for the generosity of people who loaned us pictures, a photo album entitled "School Days". This is a collection of group pictures of children taken at the Pound School and Brown's Academy throughout the past 50 years.

The interest in researching ancestry continues. Last year we received (and answered) eight letters of inquiry and requests for information concerning early inhabitants of East Kingston. While early town records do not include complete vital statistics, much can be learned from Church records, property deeds, tax lists, and cemetary records already in our possession. These are stored safely, if in somewhat random order, in a file drawer and are available for use at the town library, to anyone interested in them.

It is our goal to re-arrange this material into more logical and visible order. This will be our project for the coming year and beyond. We could really use the help of a few volunteer typists. If anyone is willing to help, please call 642-8303.

WAR MEMORIAL COMMITTEE REPORT

The War Memorial Committee met and discussed several proposals concerning Veterans of the Korean and Viet Nam conflicts.

The committee discussed the possibility of a monument and plaque. The feeling on this proposal was negative, members of the committee felt that a living memorial would be more beneficial. Not only the Veterans, to be honored, but the people of the town.

The committee felt a proposal of a more positive nature would be more meaningful to all, which is as follows:

1. Make up a loose leaf book of the names of All War Veterans ever to have served from East Kingston and not just those from the above conflicts.

2. Have a case made to put in the Library in which to store this book, and possibly a plaque to be incorporated in the case to recognize all the Veterans of East Kingston.
3. The Living part of the Memorial to set up a yearly budgeted amount to go for the purchase of books for the Library.

Richard A. Smith, Jr.

REPORT
of the
TOWN OFFICE COMMITTEE

The committee was authorized by the 1978 Town Meeting and was charged with the responsibility of recommending to the 1979 Town Meeting a plan of action to provide additional office space as might be required. The committee met approximately a dozen times throughout the year. All Town officers were visited to determine their present circumstances and space requirements. These visits indicated the most pressing need to be an adaquate office for both the Town Clerk/Tax Collector and the Police Department. Both offices must function out of their own homes which results in less than an efficient andconvenient arrangement for them or the town.

In view of the obvious need for additional spece all town

property was surveyed. After considering six alternatives, the committee decided to place two proposals before the town for its consideration. The first, a two room addition to the rear of the town hall which would provide the offices necessary to meet our immediate needs and for the near future. The second, a renovation of the town hall by excavating a basement along with a new foundation which would provide the two offices along with a kitchen plus expansion space for additional offices when the need arises.

REPORT OF THE EAST KINGSTON PLANNING BOARD 1978

The Planning Board has been busy this year. The Board held twelve regular monthly meetings and nine public hearings. The Board granted approval for seven subdivisions and referred two more to the Board of Adjustment. Ten Test Pits and Percolation Tests were viewed by a member of the Planning Board. Two Mylar plans were signed by the Planning Board for recording purposes.

A joint meeting with Board of Adjustment, Selectmen and Town Counsel to discuss legal questions involved which are being used by all three Boards.

It was voted by the Planning Board at the December meeting to develop a master plan, due to the Raymond, N.H. situation on zoning and the Supreme Court decision. It is imperative that we get this done in the next year to eighteen months. We also decided we should contact Charles Tucker of Southeast Regional Planning Commission and organize a meeting to develop a Sounding Board of town residents to assist in developing the master plan. You will be hearing more of this in 1979.

Richard A. Smith, Sr.
Chairman of Planning Board

THE TOWN OF EAST KINGSTON
RECREATION COMMITTEE

As we begin our third year, the committee would like to thank the voters of East Kingston for their support last year in Article #9 of the town warrant. Because of your support we were able to accomplish a great deal in developing Foss-Wasson Field.

Last year we bought a set of excellent swings, a good sturdy slide, four picnic tables, had a well dug, installed a hand pump, bulldozed, cleared, and graded an area of the field for young children. We also set up a basketball area, funded the Little League, held field days and outings, had a Christmas party and parade, and aided in the fishing derby. We now have a toboggan slide, which is great fun and available to everyone in town.

We must give special acknowledgement to the Fire Department, Police Department, and to the Selectmen for their help in all our activities. Much of what we accomplished was due to their help.

This year we plan to continue our efforts at the field. We also plan to have dances, block parties, toboggan parties, field days, and outings. We will continue to support the Little League and our summer CETA program. It is our hope that by June of this year, the Foss-Wasson Field, will be a place everyone in town will take pride in and use for recreation.

Two of our members resigned this year — Matt Kiman and Barbara Belcher. We would like to thank them for their efforts in the past and their continued support of the Recreation Committee.

The committee now includes the following:

Brian J. McLaughlin - Chairman
Ken Shepherd - Acting secretary
Pat Mazur - Treaurer
Ray Chevalier
Tony Batal

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association, Inc., is a community health service that provides health care to individuals and families in their home, in the office, or in clinics. The care may be to prevent disease, promote, maintain, or restore health or it may be to minimize the effects of illness or disability.

The Association is a non-profit agency governed by a Board of Directors. This Board is made up of people who are appointed by the selectmen in your town. The Association is often incorrectly thought to be a department of another health provider such as a hospital, but is in fact a separate and distinct organization.

Funding for the Association comes from Medicare, Medicaid, patient fees, local taxes, and donations. Town appropriations make the service available to the town, they do not buy units of service for individuals.

The services provided are as follows:

Home Health Care. Home visits are made on referral from physicians, patients, families, or other agencies. The nurse does treatments, dressings, irrigations, injections, and gives instructions for care. She teaches nutrition, special diets, and accident prevention as well as other aspects of health care. The Physical Therapist establishes and carries out a program to rehabilitate the patient. The Health Aide provides care under the supervision of the Registered Nurse and/or the Physical Therapist.

Maternal and Child Health Program. Visits are made to new or expectant mothers to provide information and instruction in the care of themselves and their babies. Well Child Clinics are held twice a month and provide the following services: Physical exams by a local pediatrician, immunizations, hearing and vision screening, lead and urine testing, special counseling, family planning and referral when appropriate. The clinics are for infants and preschool schildren.

Adult Screening Program. Clinics are held twice a month for blood pressure and weight checks, diet and medication

counseling and referrals. Flu vaccine clinics are held yearly.

Mental Health Program. Visits to patients with mental and/or emotional problems. Coordination of care between patient, family, psychiatrist and community.

Communicable Disease Program. Visits to patients who have or have had or are contacts of persons with Tuber ulosis for testing and/or medication and general health supervision. Instruction and/or referral for other communicable diseases.

Hospital Referral Program. An Agency nurse is in a local hospital five mornings a week to assist in planning, coordinating, and arranging for care at home so that a patient may move from hospital to home without any interruption in care.

8,748 units of service were provided to residents of the service area between January 1, 1978 and October 31, 1978.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981, or write to 17 Prospect Avenue, Exeter, N. H. 03833

EAST KINGSTON SCHOOL DISTRICT MEETING

The annual meeting of the East Kingston School District was called to order by moderator Donovan at 7:44 p.m. on Tuesday, March 7, 1978 in the Town Hall.

The moderator stated that he would entertain a motion to waive the reading of the warrant in its entirety at this time since each article would be read prior to acting upon it. It was so moved, seconded and voted.

Article 1. To choose a moderator for the ensuing year. Since no one had filed for the office, it was moved, seconded and voted that the clerk cast one ballot for Robert Donovan. When this had been done he was declared elected.

Article 11. To choose a clerk for the ensuing year. The moderator stated that nobody had filed. The name of Catherine George was nominated and seconded. The name of Richard Kelley was nominated. He informed the moderator that he declined the nomination. It was moved, seconded and voted that the nominations cease and that the clerk cast one ballot for Mrs. George, which when done she was declared elected.

Article 111. To choose a member of the school board for the ensuing three years.

The moderator stated that no one had filed so nominations would have to come from the floor. The name of Kathleen Ford was nominated and seconded. The name of Rita Fairbanks was also nominated and seconded. A motion was made, seconded and voted that the nominations cease. The moderator stated that the vote would be taken by secret ballot and opened the polls. When all who wished to vote had voted, he declared the polls closed. A count of the ballots cast showed that the total votes cast were 52. Mrs. Ford received 8 votes and Mrs. Fairbanks 44, whereupon the moderator declared Mrs. Fairbanks elected.

Article IV. To choose a treasurer for the ensuning year. The moderator announced that Mrs. Catherine Gallagher was the only one who had filed. It was moved, seconded and voted that the clerk cast one ballot for Mrs. Gallagher. When this had been done she was declared elected.

Article V. To choose two auditors for the ensuing year. None having filed the moderator called for nominations from the floor. The name of Mary Kelley was nominated and seconded. The name of Kathleen Ford was also nominated and seconded. A motion was made, seconded and voted that the nominations cease and that the Clerk cast one ballot for each of the nominees. When this had been done, Mrs. Kelley and Mrs. Ford were declared elected.

Article VI. To see if the Town will vote to charge the School Board with holding the election of School District Officers on the same day as the election for all other Town Officers on Town Meeting Day.

The motion was made, seconded and voted to hold the election of School District Officers on the same day as the election for all other Town Officers on Town Meeting Day.

Article VII. To see if the Town will vote to charge the School Board Officers with holding one monthly meeting to convene at 7:00 p.m. or later on a night of their choosing.

The motion was made and seconded to charge the School Board Officers with holding one monthly meeting to convene at 7:00 p.m. or later on a night of their choosing. After discussion a voice vote was taken and the moderator was in doubt as to the outcome. An amendment was moved, seconded and voted to have the number of meetings coincide with the number presently held. The motion as amended was put to a voice vote and the moderator was again uncertain as to the outcome. A show of hands indicated 20 yea votes and 25 nay, thus killing the motion as amended.

Article VIII. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the district.

The motion was made, seconded and voted to raise and appropriate for the purpose of this article the sum of $332,381.00 less estimated revenues.

Article IX. To see if the District will vote to authorize the School Board to make application for, accept and expend

on behalf of the School District, all gifts, advances, grants-in-aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.

A motion was made, seconded and voted so to authorize the School Board.

Article X. To hear reports of agents, auditors and committees or officers heretofore chosen and to pass any vote relating thereto.

It was moved, seconded and voted to take no action under this article

ARTICLE XI. To transact any other business that may come before this meeting.

School Board member Melvin Bowley stated that the Board would cooperate fully with the action taken under Article VII. He paid tribute to retiring School Board member Eva Smith for her 21 years of service on the Board. The meeting gave her a standing ovation. In her response she recognized the excellent cooperation received from Superintendent King, Principal Quinn, the teachers and her fellow School Board members.

The meeting adjourned by vote at 8:33 p.m.

Respectfully submitted,
Richard G. Kelley
Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

All children have an equal right to profit fully from a broadly based school program. In the struggle to bring together the staff, resources and the curriculum to serve all learners the hard fact faces us all - and that is that education is costing more! Like everything else the school is not immune to the ever increasing cost of living.

For a good many years I have given my time, efforts and leadership responsibilities to preparing young people for their world. I have constantly strived for the improvement of educational opportunities for the young. I feel I have tried to consider community concerns. I am aware of the burdened taxpayer but also concerned that we continue to offer a quality education. This is essential if our students are to compete in college and in the job market. I have sensitivity to the needs of the staff to do the important job of "teaching". I have realized patience is required in bringing about needed change. I try to keep aware of the decisions of the courts as they effect the schools. Indeed the role of the Superintendent has become much more complex in recent years.

The citizens may be interested in our Vocational Center project which will effect the AREA agreement in that students may attend any vocational program offering at no additional cost other than the regular AREA High School Tuition. The site was cleared and footing and foundation are in place. Structural steel is expected to be delivered by the time you read this, and masonry work on exterior walls will start this Spring. By fall of 1979 the building should be enclosed and interior work will proceed, along with installation of equipment. The project completion date is March 1980, and courses will be in effect for September 1980. Much work is already underway on the curriculum of the schools, and it will be carefully planned by using student interest surveys as an important planning tool. Students in the programs will spend approximately 2½ hours per day in the vocational section and the balance of time in the regular academic areas of the high school.

The principal of the school has written a brief report which I would like to quote here:

"During the past year, once again our staff has seen some changes. We look upon these changes with mixed feelings. On the one hand we hate to lose staff members who have dedicated time with us but the prospect of new staff members and the fresh ideas and experience they bring to our school is always exciting. Four positions were filled during the year. Lynn Parsons replaced Joan Vachon in our Fourth Grade; Elizabeth Williams replaced Joyce Bosch as our teaching aide; and Patricia Liddy has replaced Louise Carter as our music instructor. Particularly exciting was the addition of a part-time position in our Third Grade. Connie Gilman has filled that position for the remainder of our present school year. Certain classes seem to grow larger and larger and I believe it is a positive step forward that additional staff is provided - in the most economical way possible - to help children on a more individual basis. Mr. Robert Schroeder has joined the Sixth Grade as a teaching intern. He has provided wonderful experiences for the students and had done an exceptional job as cooperating teacher in that grade.

This past year also, our first Sixth Grade class utilized the facilities of Boston University's Human Environmental Institute at Sargent Camp. This was a total effort by everyone. Those students benefited greatly from the experience and this year's class is excited about the prospects of attending. I would like to thank our Parent Teacher Organization for the strong supportive work they do to provide not only this environmental program but other extra events for our school and community. The PTO has seen some reorganization this year and a special word of thanks should go to Mrs. Ann Zaikowski for her efforts as president for the past three years. Parent participation is a strong asset to the school and our PTO offers a wonderful opportunity to make a difference. Also we offer our gratitude to Mrs. Jane Bowley for her continued volunteer effort in our school library. This is her fifth year in providing regular library periods for our students. It truly makes a difference when our books are kept catalogued and organized in a

fashion that teaches children the organization of a larger library.

In the areas of curriculum we continue to concentrate our efforts to provide for our students the basics in language experience and mathematics. As you know we accomplish this through a core of skills in Reading and Mathematics developed in levels of achievement. We firmly believe the children should have a sound foundation in the fundamentals in language and mathematics and we do our best to provide that for everyone.

In the area of Social Studies our main emphasis is on the growth of man in relation to his environment. Children examine the similarities and differences in world cultures and our interaction with our physical world. Science is taught at each grade level but our staff is looking towards a better organized program. We seek to give our students a well-rounded experience in the physical sciences.

Our staff is making every attempt to provide a quality education for our students. A chief goal is to prepare our children to be responsible, knowledgeable citizens and we rededicate ourselves to that effort."

One other area I should like to mention briefly and that is on the so-called Competency Tests which have come into wide use throughout the country in recent years. Currently we are giving Achievement Tests at grade 2,4,6, and 8. This compares a student's scores to scores achieved by a nationwide sampling of students. Scores are given in relation to National norms.

Recently we gave competency tests to grade five. These tests are designed especially for use in our school system and measure how well a student does on a particular skill on knowledge in a subject area which is included in our guide of items to be taught. These can be very valuable. The State is requiring we give some sort of competency test at least three times before graduation. We expect to comply with this. Used properly the results can be a powerful tool in educational planning.

In conclusion I trust we can continue to all work together to provide a quality education at a reasonable price for the youth of this community.

REPORT OF THE BUSINESS ADMINISTRATOR

A major change will occur in the coming year in the way we construct our budget and account for our funds. The coding system and the classification of revenues and expenditures that has become familiar to many of us will be dropped and a completely new chart of financial accounts and code numbers will be employed.

This change has occurred as a result of a federal effort to bring about uniformity across the country in school financial accounting and reporting. Currently there is little consistency in this area. Consequently, financial information provided at the federal and state level is often of questionable accuracy and comparability.

The National Center for Education Statistics is currently engaged in re-writing the federal manual for school accounting. A consulting firm from Atlanta, Georgia, was selected to accomplish the actual redraft. As part of the effort, a sixteen member National Review Committee was formed to study the development of the draft and make recommendations and changes. I feel most fortunate to have been selected to serve on that committee. It continues to be a very worthwhile experience.

The nature of information used to make decisions in education has undergone an important shift. In the past, the chart of accounts was designed to demonstrate responsibility for public funds in terms of resource inputs rather than outcomes or results. With an increasing demand for information about outcomes, techniques must be modified to be responsive to these new demands.

Methods of financial accounting and reporting long in use are now being altered to meet the information needs of government agencies, school officials, and the general public. These needs have grown out of a concern for the rising cost of education, the proliferation of legislation that has been enacted in recent years mandating numerous changes in program offerings and the need for clear and detailed information to assist the planning and decision making that follow.

The three or four digit budget code in use for many years and used for the final time in the budget printed elsewhere in this book will be replaced with a new multi-digit code which, rather than being just an account number, is an identification of each financial transaction. This system will permit closer analysis of financial data and provide management with better financial information on which to base decisions.

Change is never totally comfortable especially when that change is away from something as familiar as our present account codes. But I believe that this is far from being "change for change sake." It will lead to better financial information for management and the general public.
